This Month's Focus:

This month we've combined our two calendars, to bring you the cast and creators of Toy Story 3. This may be the most popular movie trilogy for the whole family EVER! Animated shows have a gazillion people who contribute to creating the stories, music, voices, and images. Pray each will experience the love of God in their lives and relationships. Pray the show's creators will understand how they can continue to shape the stories to be redemptive and provide healthy lessons and role models. While you're at it, thank God for laughter!
